Prepare to Succeed

Thursday, April 2nd

Two often over-looked, key aspects of the mediation process are selection of the mediator and preparation for the mediation. In this presentation, Mark Fingerman will give practical tips on the key qualities of a mediator to consider in the selection process and the core elements of mediation preparation, including inherent ethical factors. Mark is a full-time mediator at ADR Services for civil disputes with an emphasis on business, personal injury, real estate, construction and intellectual property cases.
